All post-dated cheques to cover monthly tuition must be made out to “Little Monsters Academy”, signed, and dated for the 1st day of each month. If an agreement is made to pay month to month via e-transfer the \$100 registration fee and tuition for both the first and last month of enrollment must be paid prior to the child’s first class. (\$725 first month + \$725 last month + \$100 registration fee = \$1550 paid in full prior to starting classes).
